

Shinsuke Fujioka, MD

Assistant Professor, Department of Neurology

Fukuoka University School of Medicine

Fukuoka, Japan

Email: shinsuke@cis.fukuoka-u.ac.jp

Dr. Fujioka obtained his medical degree (2003) and completed his residency (2003-2005) at Fukuoka University in Fukuoka, Japan. He then pursued a fellowship in clinical research on movement disorders and dementia at the Mayo Clinic in Florida (2010-2014). Since 2014, he has worked as an Assistant Professor of Neurology at Fukuoka University.

He is currently a clinical neurologist in the Movement Disorders Unit of the Neurology Division at Fukuoka University. His research interests are in Parkinson's disease (particularly non-motor symptoms), atypical parkinsonism including progressive supranuclear palsy, multiple system atrophy, and corticobasal degeneration, as well as involuntary movement disorders.
